## **Safe Sport Policies**

### Introduction

The Organization and its Members have a fundamental responsibility and legal and ethical obligation to protect the health, safety and physical and mental well-being of every individual that is involved in the sports of wheelchair basketball and wheelchair rugby within the Province of New Brunswick.

The Organization and its Members takes any situation involving misconduct or maltreatment very seriously. For this reason, the Organization and its Members are committed to enacting and enforcing strong, clear, and effective policies and processes for preventing and addressing all forms of misconduct or maltreatment.

The policies are intended to promote a Safe Sport environment in a manner that allows for consistent, immediate, appropriate and meaningful action should any issues arise, but also to prevent issues from arising in the first place by communicating expected standards of behavior.

Should any individuals involved with the Organization and its Members, including, but not limited to, athletes, coaches, officials, volunteers, and parents of athletes, wish to report any instance of misconduct or maltreatment, they must do so directly to the Organization, which will then determine the appropriate forum and manner to address the complaint.

The Organization also recognizes the recent development of the Universal Code of Conduct to Prevent and Address Maltreatment in Sport (UCCMS) in 2019. Since the UCCMS may continue to evolve in the foreseeable future, this Safe Sport Policy Manual incorporates the key elements of the current version of the UCCMS.

## Athlete Protection Policy

### Purpose

This Athlete Protection Policy describes how Persons in Authority shall maintain a safe sport environment for all Athletes.

### Interactions between Persons in Authority and Athletes – the ‘Rule of Two’

1. The Organization and its Members strongly recommend the ‘Rule of Two’ for all Persons in Authority who interact with Athletes. The Coaching Association of Canada describes the intention of the ‘Rule of Two’ as follows:
  - a. A coach must never be alone or out of sight with a minor athlete. Two NCCP trained or certified coaches should always be present with an athlete, especially a minor athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of a second coach except for medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP trained or certified coach is not available, a volunteer, parent, or adult can be recruited.
2. The Organization recognizes that fully implementing the ‘Rule of Two’, as described above (and modified accordingly for Persons in Authority), in all circumstances, may not always be possible. Consequently, at a minimum, interactions between Persons in Authority and Athletes must respect the following:
  - a. The training environment should be open and transparent so that all interactions between Persons in Authority and Athletes are observable
  - b. Private or one-on-one situations should try to be avoided unless they are open and observable by another adult or Athlete
  - c. Persons in Authority shall not invite or have a Vulnerable Individual (or Vulnerable Individuals) in their home without knowledge of the Vulnerable Individual's parent or guardian
  - d. Vulnerable Individuals must not be in any situation where they are alone with a Person in Authority without another adult or Athlete present unless prior written permission is obtained from the Athlete's parent or guardian

### Practices and Competitions

3. As it relates to practices and/or competitions, the following shall be respected:
  - a. A Person in Authority should never be alone with a Vulnerable Individual prior to or following a competition or practice unless the Person in Authority is the Athlete's parent or guardian
  - b. If the Vulnerable Individual is the first Athlete to arrive, the Athlete's parent should remain until another Athlete or Person in Authority arrives
  - c. ## Abuse Policy

### Purpose

The Organization and its Members are committed to a sport environment free from abuse. The purpose of this Policy is to stress the importance of that commitment by educating Individuals about abuse, outlining how the Organization and its Members will work to prevent abuse, and how abuse or suspected abuse can be reported to and addressed by the Organization and its Members.

### Zero Tolerance Statement

1. The Organization and its Members have zero tolerance for any type of abuse. Individuals are required to report instances of abuse or suspected abuse to the Organization or a Member to be immediately addressed under the terms of the applicable policy.

### Education – *What is Abuse*

2. Individuals can be abused in different forms.
3. An abuser may use a number of different tactics to gain access to children, exert power and control over them, and prevent them from telling anyone about the abuse or seeking support. The abuse may happen once, or it may occur in a repeated and escalating pattern over a period of months or years. The abuse may change form over time.
4. Abuse of children or youth in sport can include emotional maltreatment, neglect, and physical maltreatment.
5. Importantly, emotional and physical maltreatment does not include professionally-accepted coaching methods (per the NCCP) of skill enhancement, physical conditioning, team building, discipline, or improving athletic performance.
6. Potential warning signs of abuse of children or youth can include:
  - a. Recurrent unexplained injuries
  - b. Alert behaviour; child seems to always be expecting something bad to happen
  - c. Often wears clothing that covers up their skin, even in warm weather
  - d. Child startles easily, shies away from touch or shows other skittish behaviour
  - e. Constantly seems fearful or anxious about doing something wrong
  - f. Withdrawn from peers and adults
  - g. Behavior fluctuates between extremes (e.g., extremely cooperative or extremely demanding)
  - h. Acting either inappropriately beyond their age (like an adult; taking care of other children) or inappropriately younger than their age (like an infant; throwing tantrums)

  - j. New adult words for body parts and no obvious source
  - k. Self-harm (e.g., cutting, burning or other harmful activities)
  - l. Not wanting to be alone with a particular child or young person

## Vulnerable Adult Abuse

7. Although individuals may be abused at virtually any life stage – childhood, adolescence, young adulthood, middle age, or old age – the nature and consequences of abuse may differ depending on an individual’s situation, disability, or circumstance.
8. Abuse of vulnerable adults is often described as a misuse of power and a violation of trust. Abusers may use a number of different tactics to exert power and control over their victims. Abuse may happen once, or it may occur in a repeated and escalating pattern over months or years. The abuse may take many different forms, which may change over time.
9. Potential warning signs of abuse of vulnerable adults can include:
  - a. Depression, fear, anxiety, passivity
  - b. Unexplained physical injuries
  - c. Dehydration, malnutrition, or lack of food
  - d. Poor hygiene, rashes, pressure sores

11. Individuals who coach, volunteer, officiate, deliver developmental programs, accompany a team to an event or competition, are paid staff, or otherwise engage with Vulnerable Individuals involved with the Organization and its Members will be screened according to the organization’s Screening Policy.
12. The Organization and its Members will use the Screening Policy to determine the level of trust, authority, and access that each Individual has with Vulnerable Individuals. Each level of risk will be accompanied by increased screening procedures which may include the following, singularly or in combination:
  - a. Completing an Application Form for the position sought (which includes alerting Individuals that they must agree to adhere with the organization’s policies and procedures (including this Abuse Policy))
  - b. Completing a Screening Declaration Form

14. Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/athlete meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or period of engagement.
15. Training may include, but is not limited to: certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
16. At the conclusion of the orientation and training, Individuals may be required to acknowledge, in written form, that they have received and completed the training.

## Practice

17. When Individuals interact with Vulnerable Individuals, they may be required to enact certain practical approaches to these interactions. These include, but are not limited to:
  - a. Limiting physical interactions to non-threatening or non-sexual touching (e.g., high-fives, pats on the back or shoulder, handshakes, specific skill instruction, etc.)

  - e. Ensuring that parents/guardians are aware that some non-personal communication between Individuals and Vulnerable Individuals (e.g., coaches and athletes) may take place electronically (e.g., by texting) and that this type of communication is now considered to be commonplace, especially with older Vulnerable Individuals (e.g., teenagers). Individuals are aware that such communication is subject to The Organization and its Member's Code of Conduct and Ethics and Social Media Policy.
  - f. When traveling with Vulnerable Individuals, the Individual will not transport Vulnerable Individuals without another adult present and will not stay in the same overnight accommodation location without another adult present.

## Monitoring

18. The Organization and its Members will regularly monitor those Individuals who have access to, or interact with, Vulnerable Individuals. The monitoring will be based on the level of risk, as described in the Screening Policy.
19. Monitoring may include, but is not limited to: regular status reports, logs, supervisor meetings, supervisor on-site check-ins, feedback provided directly to the organization (from peers and parents/athletes), and regular evaluations.

## Reporting Abuse

20. Reports of abuse that are shared confidentially with an Individual by a Vulnerable Individual may require the Individual to report the incident to parents/guardians, the Organization and its Members or police. Individuals must respond to such reports in a non-judgemental, supportive and comforting manner but must also explain that the report may need to be escalated to the proper authority or to the Vulnerable Individual’s parent/guardian.
  
21. Complaints or reports that describe an element of abuse will be addressed by the process(es) described in the Organization and its Members’s Discipline and Complaints Policy and the Investigations Policy.

- Ask the Complainant and the Respondent for either written or oral submissions regarding the complaint or incident; or
- Convene the parties to a meeting, either in person or by way of video or teleconference in order to ask the parties questions.

Thereafter, the Discipline Chair shall determine if a breach occurred, if so, if one or more of the following sanctions should be applied:

- Verbal or written reprimand
- Verbal or written apology
- Service or other contribution to the Organization or Member
- Removal of certain privileges
- Suspension from certain teams, events, and/or activities for a designated period
- Any other sanction considered appropriate for the offense

21. The Discipline Chair will inform the Parties of the decision, which will take effect immediately.

22. Records of all sanctions will be maintained by the Organization and the Member. The Member will disclose all decisions to the Organization, which may disclose such decisions at its discretion

**Request for Reconsideration**

23. If there is no sanction, the Complainant may contest the non-sanction by informing the Discipline Chair, within five (5) days of receiving the decision, that the Complainant is not satisfied with the decision. The initial complaint or incident will then be handled under Process #2 of this Policy.

24. If there is a sanction, the sanction may not be appealed until the completion of a request for reconsideration. However, the Respondent may contest the sanction by submitting a Request for Reconsideration within five (5) days of receiving the sanction. In the Request for Reconsideration, the Respondent must indicate:

- a. Why the sanction is inappropriate;
- b. All evidence to support the Respondent's position; and
- c. What penalty or sanction (if any) would be appropriate

25. Upon receiving a Request for Reconsideration, the Discipline Chair may decide to accept or reject the Respondent's suggestion for an appropriate sanction.

26. Should the Discipline Chair accept the Respondent's suggestion for an appropriate sanction, that sanction will take effect immediately.
27. Should the Discipline Chair not accept the Respondent's suggestion for an appropriate sanction, the initial complaint or incident will be handled under Process #2 of this Policy.

**Process #2: Handled by Case Manager**

Following the determination that the complaint or incident should be handled under Process #2, the Case Manager has a responsibility to:

- a. Propose the use of alternate dispute resolution techniques
  - b. Appoint the Discipline Panel, if necessary
  - c. Coordinate all administrative aspects and set timelines
  - d. Provide administrative assistance and logistical support to the Discipline Panel as required
  - e. Provide any other service or support that may be necessary to ensure a fair and timely proceeding
28. The Case Manager will establish and adhere to timelines that ensure procedural fairness and that the matter is heard in a timely fashion.
  29. The Case Manager may propose using alternate dispute resolution with the objective of resolving the dispute. If applicable, and if the dispute is not resolved, or if the parties refuse to attempt alternate dispute resolution (such as mediation or a negotiated settlement) the Case Manager will appoint a Discipline Panel, which shall consist of a single Arbitrator, to hear the complaint. At the discretion of the Case Manager, a Discipline Panel of three persons may be appointed to hear the complaint. In this event, the Case Manager will appoint one of the Discipline Panel's members to serve as the Chair.
  30. The Case Manager, in cooperation with the Discipline Panel, will then decide the format under which the complaint will be heard. This decision may not be appealed. The format of the hearing may be an oral in-person hearing, an oral hearing by telephone or other communication medium, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods. The hearing will be governed by the procedures that the Case Manager and the Discipline Panel deem appropriate in the circumstances, provided that:
    - a. The Parties will be given appropriate notice of the day, time, and place of the hearing, in the case of an oral in-person hearing or an oral hearing by telephone or other communication medium
    - b. Copies of any written documents which the parties wish to have the Discipline Panel consider will be provided to all Parties, through the Case Manager, in advance of the hearing
    - c. The Parties may engage a representative, advisor, or legal counsel at their own expense
    - d. The Discipline Panel may request that any other individual participate and give evidence at the hearing
    - e. The Discipline Panel may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the complaint, but may exclude

such evidence that is unduly repetitious, and shall place such weight on the evidence as it deems appropriate

- f. The decision will be by a majority vote of the Discipline Panel
31. If the Respondent acknowledges the facts of the incident, the Respondent may waive the hearing, in which case the Discipline Panel will determine the appropriate sanction. The Discipline Panel may still hold a hearing for the purpose of determining an appropriate sanction.
32. The hearing will proceed in any event, even if a Party chooses not to participate in the hearing.
33. If a decision may affect another party to the extent that the other party would have recourse to a complaint or an appeal in their own right, that party will become a Party to the current complaint and will be bound by the decision.
34. In fulfilling its duties, the Discipline Panel may obtain independent advice.

#### Decision

35. After hearing the matter, the Discipline Panel will determine whether an infraction has occurred and, if so, the sanctions to be imposed. Within fourteen (14) days of the hearing's conclusion, the Discipline Panel's written decision, with reasons, will be distributed to all parties, the Case Manager, to the Organization and the Member. In extraordinary circumstances, the Discipline Panel may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued before the end of the fourteen (14) day period. The decision will be considered a matter of public record unless decided otherwise by the Discipline Panel.

#### Sanctions

36. The Discipline Panel may apply the following disciplinary sanctions, singularly or in combination:
  - a. Verbal or written reprimand
  - b. Verbal or written apology
  - c. Service or other contribution to the Organization or a Member
  - d. Removal of certain privileges
  - e. Suspension from certain teams, events, and/or activities

  - g. Payment of the cost of repairs for property damage
  - h. Suspension of funding from the organization or from other sources
  - i. Expulsion from the organization
  - j. Any other sanction considered appropriate for the offense
37. Unless the Discipline Panel decides otherwise, any disciplinary sanctions will begin immediately, notwithstanding an appeal. Failure to comply with a sanction as determined by the Discipline Panel will result in an automatic suspension until such time as compliance occurs.
38. Records of all decisions will be maintained by the Organization and the Member (as applicable). Members will submit all records to the Organization.

#### Appeals

39. The decision of the Discipline Panel may be appealed in accordance with the Appeal Policy.

#### Suspension Pending a Hearing

40. The Organization or the Member (as applicable) may determine that an alleged incident is of such seriousness as to warrant suspension of an Individual pending completion of an investigation, criminal process, the hearing, or a decision of the Discipline Panel

#### Criminal Convictions

41. The Organization or the Member (as applicable) may determine in its sole discretion that an Individual's conviction for a Criminal Code offense will be deemed an infraction under this Policy and will result in expulsion from the Organization or the Member (as applicable). Criminal Code offences may include, but are not limited to:

- a. Any child pornography offences
- b. Any sexual offences
- c. Any offence of physical violence
- d. Any offence of assault

#### Confidentiality

Once initiated and until a decision is released, none of the parties will disclose confidential information relating to the discipline or complaint to any person not involved in the proceedings.

43. Any failure to respect the aforementioned confidentiality requirement may result in further sanctions or discipline by the Discipline Chair or Discipline Panel (as applicable).

#### Timelines

44. If the circumstances of the complaint are such that adhering to the timelines outlined by this Policy will not allow a timely resolution to the complaint, the Case Manager may direct that these timelines be revised.

#### Records and Distribution of Decisions

45. Other individuals or organizations, including, but not limited to, national sport organizations, provincial/territorial sport organizations, sport clubs, etc., may be advised of any decisions rendered in accordance with this Policy.

## Investigations Policy

### Purpose

The Organization and its Members are committed to eliminating all instances of Discrimination, Harassment, Workplace Harassment, Workplace Violence, Sexual Harassment, and Maltreatment within their operations and activities. This Policy describes how Individuals can report instances of Discrimination, Harassment, Workplace Harassment, Workplace Violence, Sexual Harassment, and Maltreatment and how the Organization will lead the investigation of those reports.

### Determination and Disclosure

1. When a complaint is submitted pursuant to the Discipline and Complaints Policy, the Case Manager will determine if such complaint is related to an instance of Discrimination, Harassment, Workplace Harassment, Workplace Violence, Sexual Harassment, or Maltreatment, or any other matter requiring investigation.
2. The Organization and its Members will adhere to all disclosure and reporting responsibilities required by any government entity, local police force, or child protection agency.

### Investigation

3. Complaints that are determined to contain an element of Discrimination, Harassment, Workplace Harassment, Workplace Violence, Sexual Harassment, and Maltreatment, or any other matter deemed relevant by the Case Manager will continue to be addressed by the process(es) described in the Discipline and Complaints Policy. However, the Case Manager may also appoint an Investigator to investigate the allegations.
4. The Investigator must be an independent third-party skilled in investigating. The Investigator must not be in a conflict of interest situation and should have no connection to either party.
5. Federal and/or Territorial legislation related to Workplace Harassment may apply to the investigation if Harassment was directed toward a worker in a Workplace. The Investigator should review workplace safety legislation, the organization's policies for human resources, and/or consult independent experts to determine whether legislation applies to the complaint.
6. The investigation may take any form as decided by the Investigator, guided by any applicable Federal and/or Territorial legislation. The investigation may include:
  - a. Interviews with the Complainant
  - b. Witness interviews
  - c. Statement of facts (Complainant's perspective) prepared by Investigator, acknowledged by the Complainant and provided to the Respondent
  - d. Interviews with the Respondent
  - e. Statement of facts (Respondent's perspective) prepared by Investigator, acknowledged by the Respondent and provided to the Complainant

## Investigator's Report

7. Upon completion of their investigation, the Investigator shall prepare a report that should include a summary of evidence from the parties (including both statements of facts, if applicable) and recommendations from the Investigator of whether, on a balance of probabilities, an incident occurred that could be considered Discrimination, Harassment, Workplace Harassment, Workplace Violence, Sexual Harassment, or Maltreatment, or breach of a governing document, including, but not limited to the Code of Conduct and Ethics.
8. The Investigator's report will be provided to the Case Manager who will disclose it, at their discretion, to the Organization or the Member (as applicable) and others.
9. Should the Investigator find that there are possible instances of offence under the Criminal Code, particularly related to Criminal Harassment (or Stalking), Uttering Threats, Assault, Sexual Interference, or Sexual Exploitation, the Investigator shall advise the Complainant and the Organization or the Member to refer the matter to police.
10. The Investigator must also inform the Organization or the Member (as applicable) of any findings of criminal activity. The Organization or the Member (as applicable) may decide whether to report such findings to police but is required to inform police if there are findings related to the trafficking of prohibited substances or methods (as indicated in the version of the World Anti-Doping Agency's Prohibited List currently in force), any sexual crime involving Minors, fraud against the Organization or any Member(s) (as applicable), or other offences where the lack of reporting would bring the Organization or the Member (as applicable) into disrepute.

## Reprisal and Retaliation

11. An Individual who submits a complaint to the Organization or who gives evidence in an investigation may not be subject to reprisal or retaliation from any individual or group. Any such conduct may constitute Maltreatment and will be subject to disciplinary proceedings pursuant to the Discipline and Complaints Policy.

## False Allegations

12. An Individual who submits allegations that the Investigator determines to be malicious, false or for the purpose of retribution, retaliation or vengeance (or that otherwise fall within the definition of Maltreatment) may be subject to a complaint under the terms of the Discipline and Complaints Policy and may be required to pay for the costs of any investigation that comes to this conclusion. Any Individual who is liable to pay for such costs shall be automatically deemed to be not in good standing until the costs are paid in full. The Organization or any Member(s) (as applicable), or the Individual against whom the allegations were submitted, may act as the Complainant.

## Confidentiality

13. The Investigator will make every effort to preserve the confidentiality of the complainant, respondent, and any other party. However, the Organization and its Members recognize that maintaining anonymity of any party may be difficult for the Investigator during the investigation.

## Dispute Resolution Policy

### Purpose

The Organization and its Members support the principles of Alternate Dispute Resolution (ADR) and are committed to the techniques of negotiation, facilitation, and mediation as effective ways to resolve disputes. ADR also avoids the uncertainty, costs, and other negative effects associated with lengthy appeals or complaints, or with litigation.

The Organization and its Members encourage all Individuals to communicate openly, and to collaborate and use problem-solving and negotiation techniques to resolve their differences. The Organization and its Members believe that negotiated settlements are most often preferable to arbitrated outcomes. Negotiated resolutions to disputes with and among Individuals are strongly encouraged.

### Application of this Policy

1. This Policy applies to all Individuals.
2. Opportunities for ADR may be pursued at any point in a dispute when all parties to the dispute agree that such a course of action would be mutually beneficial.

### Facilitation and Mediation

3. If all parties to a dispute agree to ADR, a mediator or facilitator, acceptable to all parties, shall be appointed to mediate or facilitate the dispute.
4. The mediator or facilitator shall decide the format under which the dispute shall be mediated or facilitated and may, if they consider it appropriate, specify a deadline before which the parties must reach a negotiated decision.
5. Should a negotiated settlement be reached, the settlement shall be reported to the Organization or the Member (as applicable). Any actions that are to take place as a result of the decision shall be enacted on the timelines specified by the negotiated decision, pending approval of the Organization or the Member (as applicable).
6. Should a negotiated settlement not be reached by the deadline specified by the mediator or facilitator at the start of the process (if set), or if the parties to the dispute do not agree to ADR, the dispute shall be considered under the appropriate section of the Discipline and Complaints Policy or Appeal Policy, as applicable.

### Final and Binding

7. Any negotiated settlement will be binding on the parties. Negotiated settlements may not be appealed.

The decision to allow, or not allow, an appeal outside of the seven (7) day period will be at the sole discretion of the Appeal Manager and may not be appealed

#### Grounds for Appeal

7. A decision cannot be appealed on its merits alone. An appeal may only be heard if there are sufficient grounds for appeal. Sufficient grounds include the Respondent:

11. If the Appeal Manager denies the appeal on the basis of insufficient grounds, because it was not submitted in a timely manner, or because it did not fall under the scope of this Policy, the Appellant will be notified, in writing, of the reasons for this decision. This decision may not be appealed.
12. If the Appeal Manager is satisfied there are sufficient grounds for an appeal, the Appeal Manager will appoint an Appeal Panel which shall consist of a single Arbitrator, to hear the appeal. In extraordinary circumstances, and at the discretion of the Appeal Manager, an Appeal

Panel composed of three persons may be appointed to hear the appeal. In this event, the Appeal Manager will appoint one of the Panel's members to serve as the Chair.

14. The Appeal Manager shall notify the Parties that the appeal will be heard. The Appeal Manager shall then decide the format under which the appeal will be heard. This decision is at the sole discretion of the Appeal Manager and may not be appealed.
15. If a party chooses not to participate in the hearing, the hearing will proceed in any event.
16. The format of the hearing may involve an oral in-person hearing, an oral hearing by telephone or other electronic means, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods.   - g. If a decision in the appeal may affect another party to the extent that the other party would have recourse to an appeal in their own right under this Policy, that party will become an Affected Party to the appeal in question and will be bound by its outcome
  - h. The decision to uphold or reject the appeal will be by a majority vote of Panel members
  - i. In fulfilling its duties, the Panel may obtain independent advice.

#### Appeal Decision

17. The Appellant must demonstrate, on a balance of probabilities, that the Respondent has made a procedural error as described in the Grounds for Appeal section of this Policy and that this error had, or may reasonably have had, a material effect on the decision or decision-maker.

18. The Panel shall issue its decision, in writing and with reasons, within seven (7) days after the hearing’s conclusion. In making its decision, the Panel will have no greater authority than that of the original decision-maker. The Panel may decide to:

In assessing costs, the Panel will take into account the outcome of the appeal, the conduct of the parties, and the parties’ respective financial resources
  
20. The Panel's written decision, with reasons, will be distributed to all parties, the Appeal Manager, and the Organization or the Member (as applicable). In extraordinary circumstances, the Panel may first issue a verbal or summary decision soon after the hearing’s conclusion, with the full written decision to be issued thereafter. The decision will be considered a matter of public record unless decided otherwise by the Panel.

**Timelines**

21. If the circumstances of the appeal are such that adhering to the timelines outlined by this Policy will not allow a timely resolution to the appeal, the Appeal Manager and/or Panel may direct that these timelines be revised.

**Confidentiality**

22. The appeals process is confidential and involves only the parties, the Appeal Manager, the Panel, and any independent advisors to the Panel. Once initiated and until a decision is released, none of the Parties will disclose confidential information to any person not involved in the proceedings.
  
23. Any failure to respect the aforementioned confidentiality requirement may result in further sanctions or discipline by the Discipline Chair or Discipline Panel (as applicable).

**Final and Binding**

24. No action or legal proceeding will be commenced against the Organization, Members, or Individuals in respect to a dispute, unless the Organization or the Member (as applicable) has refused or failed to provide or abide by the dispute resolution process and/or appeal process as set out in governing documents.

5. The Chair of the Risk Management Committee is the designated Risk Manager and is responsible for the implementation, maintenance, and communication of this policy. This policy applies to all decision and activities undertaken on behalf of the Organization or its Members.

## Policy

6. The Organization and its Members makes the following commitments:

All Directors, Officers, staff, and volunteers have an ongoing responsibility to take appropriate measures within their scope of authority and responsibility to identify, assess, manage and communicate risks to those that they report to including but not limited to, the Risk Manager.

## Risk Tolerance

8. The 'significance of a risk' refers to the combined ranking of the possibility/likelihood of a risk occurring and the consequence should it occur.
9. Possibility (P)
  - a. Unlikely – less likely to happen than not; occurs every 5 years
  - b. Possible – just as likely to happen as not; occurs once every year

12. Risks that arise and considered to be Serious - Catastrophic are treated as follows:
  - a. If a Serious risk is identified, it must be communicated to the President or Executive Director within 48 of the risk being identified. The individual will take all reasonable measures to manage the risk including, but not limited to, seeking the advice from other Board members, consulting external experts, etc. Once the individual feels that the risk has been managed or is in the process of being resolved, the Board will be advised using the most appropriate communications, which depending on the nature of the risk, may include an issue document, sharing at the next meeting, or calling a separate Board meeting to keep the Board informed.
  - b. If a Catastrophic risk has been identified, the President must be contacted immediately. The President and Executive Director will determine the most appropriate action and if appropriate, may organize a Board meeting within 48 of the risk arising. It is understood that factors may arise that prevent this from happening including time zone, availability, nature of the risk, etc. All reasonable efforts will be made to manage the risk as it occurs, taking the necessary measures including, not to limited to, seeking the advice from internal partners, other Board members and external experts

## Procedures

13. Managing risks involves three steps:
  - a. Identifying potential risks using an informed, environmental scan approach
  - b. Assessing the significance of a risk by considering its likelihood and consequences
  - c. Developing and implementing measures to address those risks deemed significant by reducing likelihood, consequences or both
14. Risks arise from a number of categories of the operations of The Organization and its Members. The following categories will be used when identifying risks:
  - a. Operational / Program Risks
    - i. Risks related to the development, sanctioning, and implementation of programs; management of human resources, including staff and volunteers; organizational capacity to meet member and stakeholder expectations.
